Dear Mr. Munro:

We have enclosed copies of Compliance Monitoring and Enforcement Logsheets for hazardous waste handlers located in Region V. These logsheets indicate actions taken by Region II states, New York, and New Jersey. Although we are unable to enter the violation and enforcement data into EWDMS, we recognize the need to inform your region of these activities as an important part of the RCRA program. Logsheets will be sent periodically to keep you informed of Region II findings.

For information concerning the types of hazardous waste in question please contact John Skovlak of the New Jersey Department of Environmental Protection at (609) 588-3414, or Jim Moran of the New York State Department of Environmental Conservation at (518) 457-6858. You may also contact David Garcia-Abrines of my staff at (212) 264-9880 for questions in this regard.

Very truly yours,

Richard A. Baker, Chief
Permits Administration Branch
Office of Policy and Management
